## **CHARLES RIVER APPAREL FIT GUIDE**

## **MEASUREMENT GUIDE**

**CHEST/BUST:** Tape measure should be placed under arms. Measure at the fullest circumference around your chest.

**WAIST:** Measure your natural waistline around the narrowest circumference of your waist.

**HIPS:** Measure at the fullest circumference around your hips.

SLEEVE LENGTH: With elbow bent slightly, measure from center back of your neck, over the shoulder, over to the slightly bent elbow and down to the outer wrist.

**INSEAM:** Stand and measure the line where the two parts of a pair of pants are sewn together (top of the inside of the leg) to the bottom of your ankle bone.

These sizes and body measurements are intended as a guide to assist with sizing — these are not exact garment measurements. Locate your measurements below & the chart will tell you the approximate Charles River Apparel size you should fit into. For style specific measurements, visit our website at www.charlesriverapparel.com & click on the individual style to view the garments specs.
